SHOP

Founded in 1859 by Henry Shaw, the Missouri Botanical Garden is the one of the oldest botanical gardens in continuous operation in the United States and one of the few gardens to achieve National Historic Landmark status. An oasis of great beauty in the city, the Garden is also a place of research, conservation, and learning.

BECOME A MEMBER

Garden members enjoy free general admission to the Garden, Sophia M. Sachs Butterfly House, and Shaw Nature Reserve in addition to members-only events and discounts in the shops and on classes. When you become a Garden member, you partner with us in our vital plant science, conservation, and education work. Join today at the Member and Visitor Services Counter, call (314) 577-5100, or go online at mobot.org/membership.

GENERAL INFORMATION

Admission and hours of operation vary. For the latest information, please visit mobot.org.

Doris I. Schnuck Children's Garden

Discover, explore, pretend, search, observe, and more. Learn about plants, nature, and sustainability through hands-on activities.

Open April–October. Separate admission applies. Visit mobot.org for more information.

Tower Grove House

Explore the history of the Garden April–December. Open Wednesday–Sunday, 10 a.m.–4 p.m. Included with Garden admission.

Stephen and Peter Sachs Museum

Visit the reopened scientific heart of the Garden to view botanical art and artifacts. Admission and hours of operation vary. For the latest information, please visit mobot.org.

William T. Kemper Center for Home Gardening

A wealth of information for the home gardener, including 23 display gardens, horticulture staff, Master Gardeners, and a Horticulture Answer Service.

Accessibility: To ensure a more welcoming and engaging experience for all of our visitors, we provide wheelchairs on a first-come, first-served basis in the Visitor Center. Strollers and motorized scooters are also available for rent. Visit mobot.org/accessibility or call (314) 327-6390 for more information.

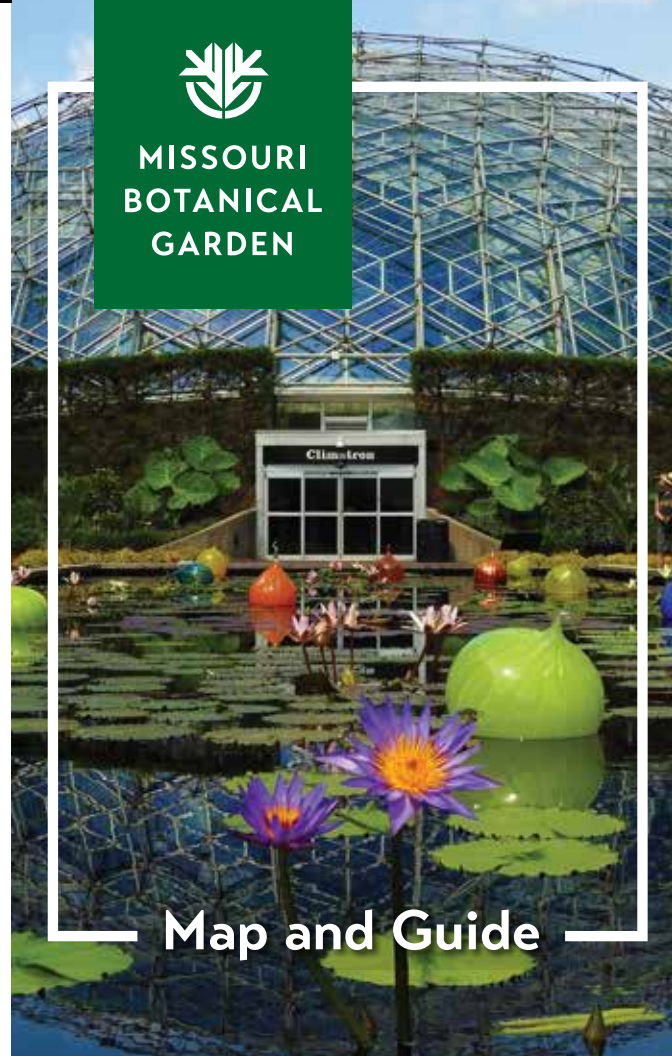

On-grounds Emergencies: In the case of a life-threatening emergency, call 911. For all other on-grounds emergencies, call Security at (314) 577-0212.

RESEARCH AT THE GARDEN

The Missouri Botanical Garden is one of the world's top botanical research and conservation institutions. The Garden's dozens of PhD researchers work to strengthen scientific expertise around the world and right here at home to study, protect, and manage biodiversity before it's too late.
